

## DUAL CONTROL

---

Midland Magneto are the approved supplier/installer in Nottinghamshire of He-Man dual control systems for driving school vehicles.

Let us know what vehicle you need your system to be installed in and we'll arrange to supply exactly the right kit and safely install it, usually within only a few days.

He-Man is the leading brand for dual control systems and when the safety of your students, (and yourself), is at stake you can't afford to have anything but the best.

For supply, installation and servicing of your He-Man dual control system you won't find a better option in the Nottingham area than Midland Magneto.

Discounts may be available for multiple orders for fleets of driving school vehicle
